

# Four Pillars in Eden

January 25, 2012  
Paul Martin

*Stu Webber masterfully lifts from the 'book of beginnings'—Genesis—Four Biblical Pillars that are essential in sustaining a man's life. To the degree that they are balanced...his life is in balance; to the degree that they are unbalanced, his life and the lives of those around him experience imbalance, insecurity and pain. What are they and why are they important?*
